## Counterfeit Parts Prevention Statement

This statement outlines the current position of Leading Technology Composites, Inc. regarding the prevention of counterfeit parts in our supply base and subsequent assembly process in response to regulatory directives.

Suppliers shall only purchase products to be delivered or incorporated as work to LTC directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor.

Suppliers may use another source only if advanced written approval from LTC is obtained.

Suppliers shall develop and implement a counterfeit product control plan in compliance with AS6174 Counterfeit Material: Assuring Acquisition of Authentic and Conforming Material. This standard can be obtained from SAE International at [www.sae.org](http://www.sae.org).

The Seller's counterfeit avoidance and detection systems are subject to LTC and/or LTC's customer audit and approval.
